

MOTHERBOX RECORDS
c/o PAUL DENGEL
60 DENTON AVE.
EAST ROCKAWAY NY 11518

Motherbox records is a label run by 23 year old Paul Dengel. The label was actually started by the guys in Spirit Assembly, but after the label's second release the partnership was dissolved. The label was based in Millersville, where Paul was the Music Director at WIXQ in Millersville PA, and where he

happened to be going to school for Communications. The label has just released it's fifth and sixth records, the Sinatra 65/Farckus Affair split and the new Spirit Assembly single. Paul has also graduated from college, moved back to NY, and is of course working as a greens-keeper at a golf course. He has taken over full charge of the label, and has built one of the most interesting small distribution sources of international punk. The distribution of other labels material came about because I needed to get my stuff in Europe. So I started trading my releases with other labels.

Everything I do is non-profit". And now he carries singles from places like Belgium, Finland, Austria and England. The best thing about all of this is that he makes these records available for \$2.50 ppd!

He supports the Lehigh Valley area by carrying material by Burning Ambitions, the Chumpire releases and some of the FOE releases.

Upcoming projects Paul is working on include: Sinatra 65/Possum split, the Sinatra 65/Burning Ambitions split (co-release with Buried Alive), an 8 band double single, and material by Sleepasaurus.

Send a few stamps for a catalog and while you are at it, get the Sinatra 65/Farckus Affair split and new Spirit Assembly singles! The No Ones Hero and Lancaster PooPooPlatter, featuring NOH, SA, Brom Bones and Mystery City, singles released by Paul are currently out of print.
