

SCREAM

FIGHT
 LOOK AT ME, I LOOK AT YOU
 WHAT THE FUCK YOU GONNA DO
 FEEL BOKED IN, WELL I WANNA FIGHT
 THROUGH THE PROBLEMS IN THE NIGHT

FIGHT FOR WHAT YOU THINK IS RIGHT

HEY ALL YE CRUNCHCLOTS, WE ALL SAY
 FIGHT FOR THE UNITED MAY
 FIGHT TOGETHER, FIGHT AS ONE
 FIGHT FOREVER TILL WE'VE WON

FIGHT

FOE How long has Scream been together and have you been involved with other bands?

SCR Well Skeet Franz and I started hangin out, jammin in 78. Franz & Skeeter & Kent go farther back even, through school. They played together years before that. Scream really came together as a band in late 79 it was really the first band for all of us.

FOE Since the breakup of Minor Threat do you feel the DC scene is deteriorating like some say?

SCR The scene is changing of course But I think deterioration is the wrong word. As a matter of fact I think new bands like Malifice, Rites of Spring, Beefeater, Grey Matter, HR, signal a resurgence. Maybe with the loss of Minor Threat some of the positiveness has been lost.

FOE What message are you trying to get across through you lyrics if any?

SCR Each song is its own message of sorts. What we're trying to give people is a little part of our selves.

FOE How have you changed since you started and "Still Screaming"?

SCR Probably as much as you have since "Still Screaming" was released.

FOE Discography

SCR We have an lp to be released this Feb. on Rough Trade. Our other lp "Still Screaming" Dischord #9, and 2 compilations- "Flipside vinyl Fanzine and Bouncing Babies DC comp.

FOE Could you give us a brief history of the band.

SCR Well we all started out off diapers except Kent who was allowed to walk around butt naked till he was 10. Harley Franz Kent now all prefer Fruit of the Loom boxer style Skeeter likes the bikini type I choose not to wear briefs when possible

FOE Are you planning a tour soon?

SCR We like to play when possible. Skeeter & Kent are married plus we all have jobs so first things first are responsibilities which limits us to weekend trips at the moment. We do hope to go to the West Coast this Spring.

FOE What's the best thing that ever happened to you on tour?

SCR Running into so many helpful and supportive people willing to lend a space to crash or food to eat or their daughters for.....

FOE Worst ?

SCR Well you see there was this bump about 4 inches long and.....

FOE Other than you guys who do you feel are the best bands to come out of DC?

SCR The best bands to come out of DC have been The Hangmen, Minor Threat, The Bad Brains. But that's just my opinion.

FOE Did you ever hear of the Russian Meat Squats?(Guess who asked this question)

SCR No I can't say that I've had the pleasure.

FOE What are your influences?

SCR Among the whole band its too diverse to list or categorize. But we're definitely a band that's gotten most of our musical training in this band.

FOE Anything you'd like to add about your scene?

SCR Well shows are still growing in attendance from time to time. And new and for the most part younger people getting in the scene, but more into the scene than involved actually. Get ready for a burst of vinyl activity out of DC with prospective releases due soon... SA

STAND

DO YOU CARE TO TAKE A STAND
 TRY, TRY TO UNDERSTAND
 SHOULD WE WANT TO REMAIN THE SAME
 OR DO YOU WANT TO SEE A CHANGE
 SHOULD WE WANT TO LEAD A HARD
 FIND OURSELVES IN OTHER LANDS
 OR STAND OUTSIDE THE DOOR, FOR IT'S
 HARDER TO LOOK THAN IGNORE--NEW
 WHAT'S OLD IS NEW AROUND YOU
 WHAT'S NEW?

IT'S TIME TO TAKE A STAND
 ARE YOU THERE
 IF YOU SEE A CHANGE
 NOW WILL YOU STARE
 IF I ASK YOU TO USE YOUR MIND
 DO YOU DARE?
 OR WILL YOU JUST LEAN UP AGAINST A WALL
 CAUSE YOU'RE SCARED IF YOU STAND YOU MIGHT
 FALL

LISTEN TO WHAT WE GOT TO SAY
 HERE ARE THE SCREAMS OF TODAY
 WE'RE NOT TELLING YOU WHAT TO DO
 WE'RE JUST ASKING QUESTIONS OF YOU

FOR WE WANT TO KNOW JUST WHERE YOU STAND
 TO TRY TO UNDERSTAND
 FOR WE ARE HERE TO TAKE A STAND
 TO STAND ON THE BRINK OF SOMETHING NEW
 WHAT YOU THINK AND WHAT YOU DO
 ARE JUST WHAT WE ARE QUESTIONING YOU
 CAN YOU SEE THE MISSING LINK
 THROUGH APATHETIC ATTITUDES
 WHAT YOU FEEL AND WHAT YOU SEE
 WORK A DAY, WORK A WEEK
 NO, GO, GO HAPPY LIVES
 DAY TO DAY, ARE YOU SATISFIED?
